Accuracy of Information

When taking out an Insurance policy, throughout the life of the policy and when you renew your insurance you must answer all questions truthfully, accurately and as carefully as possible. Failure to do so could result in your Insurer cancelling your policy and/or refusing to pay a claim.

It is important all statements made on proposal forms, claim forms and other documents are full and accurate. If a form is completed by us or a third party on your behalf you must check all answers shown are true and accurate before signing the document.

You are reminded it is an offence under the Road Traffic Act to make any false statements or provide information which you know is incorrect.

You are advised to keep copies of any correspondence you send to us or direct to your insurer.

Public Data Check

Please note some insurers will carry out a public data check before offering a quotation for motor insurance. A public data check does not affect your credit score and will not be visible to a potential lender; however it will be recorded on an individual's credit history. We will ask you when providing a quotation if you consent to this check.

Recorded Telephone Conversations

For security and for training purposes your call may be recorded and will also be used as proof of the details you have given us to accept your insurance and process any claim.

Premiums and Financial Aspects

In order to be able to offer you credit facilities, we are registered under the Consumer Credit Act and our Licence Number is 088700.

We normally accept payment by guaranteed cheque, cash or any of the major debit/credit cards (excluding American Express).

You may be able to spread your payments through insurers' instalment schemes or a credit scheme we have arranged with a third party finance provider which we may receive a commission for. We will give you full information about your payment options when we discuss your insurance in detail.

Instalments

Providers of Instalment facilities make a charge for this service unless stated otherwise at the time of purchase. The first direct debit may be taken very soon after you submit documents so please ensure that sufficient funds are available. Similarly, if we are awaiting other documents for your insurance the direct debit may be held up and a multiple of instalments may be taken in one month.

If you wish to cancel please tell us and do not cancel the direct debit without informing us as this may result in you appearing on debtors list which we cannot prevent. If you cancel before instalments are complete you are likely to owe money which will have to be paid. If you have made a claim on your insurance, the premium has to be paid in full. Any charges for instalments will be shown on the application form or advised to you in writing.

We will hold monies received from you in a designated Insurance Bank Account. We will remit such monies to insurers in line with our agreements with them.

We will inform you if interest earned from your premium should exceed £20.
